

FUN FOR FOODIES

With a passion for food and wine, here in the Berkshires I taste a symphony! The Berkshires abound not only with world-class cultural events but also with a plethora of extraordinary culinary experiences with chefs, bakers, oenophiles, and a chocolatier as maestros of their own kitchens and wine cellars, orchestrating decadent and intoxicating creations.

If you share my passion, perhaps you would like to indulge in the sensual adventures of the Berkshires with a "Fun for Foodies Vacation."

Below are a few of the gourmet adventures we offer... for more information, check our website at www.birchwood-inn.com/foodies.html!

Lenox, in the heart of the Berkshires of Massachusetts, is the locale of Tanglewood, the summer home of the Boston Symphony Orchestra, as well as Shakespeare & Co. and Edith Wharton's The Mount. The Norman Rockwell Museum, Melville's Arrowhead, Jacob's Pillow Dance Festival, The Clark Art Institute, MASSMoCA, and Hancock Shaker Village are among the many nearby attractions. Birchwood's neighboring Kennedy Park boasts acres of wooded trails for hiking, biking, cross-country skiing or snow shoeing. Golf, tennis, downhill skiing and water sports are a stone's throw away. The Berkshires are truly a resort for all seasons.
